

SMART Community Exchange (SCE) Innovative Global Networking Solutions

Investing in SMART Innovation 2017-20

Communities are implementing S.M.A.R.T at a local level. Innovative financing models are critical in SMART projects because of lack of public funding.

SMART finance programs are designed to accelerate implementation of SMART solutions in our sister-communities worldwide.

Innovative financial instruments, are becoming popular in SMART Commerce. We will continue to work together to exchange best practice and lessons learned in SMART finance as part of the "Investing in SMART Innovation" World Tour 2017-20.

SMART Business Roundtables

The SMART Community Exchange (SCE) provides you with a unique opportunity to participate in business roundtables in SMART sister-communities around the world.

You can join our trade missions to meet and learn from other SMART business leaders and investors, exchange strategic information, build strategic partnerships, and discover how your business, organization, or region can engage in SMART projects, programs, and initiatives.

The SCE business roundtables are on an invitation-only basis, and reserved exclusively for business leaders and investors interested in discovering SMART business opportunities.

An average group is 30 people and the cost is US \$1,995.00* per participant for 2 days, including costs for educational programs, meetings, site-visits, accommodations, and meals, as specified. Airfare is additional. *The cost of this program may qualify as a vocational training business expense.
