

## Chamber of Eco Commerce

January 1, 2017

A SMART Call to Action,

To increase international collaboration, the Chamber of Eco Commerce (CEC) in partnership with SMART Community Exchange (SCE), will host SMART Summits in strategic partner locations worldwide.

These international Summits will attract Leaders from Business, Government, NGO, Academia, Trade Organizations, and Non-Profits, to discuss SMART Trade and Investment, SMART Policy, SMART Cyber, and 21st Century Education and SMART Workforce Training and Development.

Please join us to connect with other SMART Leaders, and to discover how your enterprise, organization, or region, can participate and benefit from Positive Development and SMART Trade.

On behalf of the Chamber of Eco Commerce and SMART Community Exchange, we look forward to meeting You, and learning about Your Business, Organization, Community, and opportunities in your Region.

Sincerely,

Minna LeVine

CEO

### **About SMART Community Exchange (SCE)**

The SCE brings together individuals and organizations through a powerful global platform to drive more sales and investment in SMART Innovation. The SCE believes that a thriving community of experts, leaders, and learners working together will provide balanced and efficient solutions for Business, Environment, and Society. The SCE partner program is designed to advance Positive Development and SMART growth through SMART Entrepreneurship and Incubation. The SCE provides professionals with strategic information, education, advocacy and networking resources to bring excellence to the SMART incubation and soft-landing process in the U.S. and international market.
